

WELCOME TO THE EISNER ALUMNI ASSOCIATION BIG SUMMER EVENT

The New Beit Am

Last year the brand new Beit Am was unveiled next to the old Chadar Ochel (Dining Room). In the grand tradition of the New Facility, this new Beit Am was named "Beit Am." But it is unique in one major way, in that it is the only program space in camp that is fully air-conditioned! Campers no longer have to be smushed on the floor in the Tzofim Beit Am – they now sit on plush seats and watch shows with state of the art sound and lighting. A welcome improvement to camp, please take some time to visit the new Beit Am when you are walking around camp today. You will love it!

The EAA Database Cleans up Good

Thanks to the hard work of EAA committee member Emily Gaines Demsky, the alumni database has never been more up to date. Emily cleaned out loads of bad addresses, and entered in a slew of new addresses over the past few months. Emily is committed to making sure the database stays current, so if you have a change in your home address or email address, email eisneralumni@hotmail.com and your changes will be added.

Camp and the EAA Gear up for the BIG 5-0

There will be no Eisner Alumni Summer event next year, as we get ready for the camp's 50th anniversary in 2007. Plans are top secret (i.e. no plans have been made yet), so if you are interested in helping out, email us at eisneralumni@hotmail.com when you get home.

First Fundraising Drive

In December, the EAA sent out its first end-of-year donation drive, collecting over \$10,000 thanks to the generosity of Eisner alumni. The money was given to the camper scholarship fund, helping about 25 additional kids attend Camp. For those of you who did not get a mailing, your name and address will be updated in the alumni database after this event, so you will surely get one this year!

Can't wait until December? Must donate now?

Email Corey Cutler, at ccutler@urj.org.
