

TO EVERY SEASON TURN, TURN, TURN

For over five years David "Tree" Sobel and Donna (Corby) Sobel have led the alumni association with vigor and devotion. They have coordinated a vibrant group of Eisnerites, ensured we have had summer reunions and set us on the path to celebrate our 50th anniversary. We are all grateful for their dedication and have benefited from their tireless efforts. Todah Rabah!

With any successful organization, developing new leadership is essential to its ability to move forward and maintain momentum. Tree and Donna have led the way and set a high standard for all future alumni chairs. They have groomed for their successor Beth Grossfeld to carry the alumni torch forward. While they will remain active on the camp commission, Beth will take the alumni association to the next level. She has been an active member of the alumni association and has diligently written our "The Flame", the alumni newsletter for the past year.

Beth spent her first summer as a Bonim camper in 1981 and continued on through 1993, spending her last summer as the K'tanim Unit Head. Having served two consecutive terms as a NFTY Regional Board member, Beth went on to work at the URJ Youth Division as a NFTY Program Assistant. Although she now makes her career as a Senior Marketer for Bed Bath & Beyond, Beth continues to maintain a strong, consistent connection to Eisner and URJ.

We are grateful to Tree and Donna for getting us to this day, and look forward to Beth following in their foot steps as we prepare for a variety of exciting events ahead.

I wish you a happy new year and welcome your involvement in the coming months.

- Lisa Messinger, *Chairperson*, URJ Eisner and Crane Lake

202 DAYS AND COUNTING

Last summer we served over 1300 individual campers at our two sites (Eisner and Crane Lake), and we are on pace to serve even more Jewish souls this summer. I am extremely pleased to see many alumni have registered their children for camp, taking advantage of our new alumni discount. Camp continues to provide a solid foundation for building strong Jewish identity in a fun, safe environment that you experienced. While there have been physical changes to Eisner, the friendships and memories that are formed are the same. I hope to see many of you this summer at the alumni Shabbat's that are planned and hear your stories.

Wishing you and your families a happy, healthy new year.

- Louis Bordman, *Senior Director*

FROM YOUR EAA CHAIRS

After five years of co-chairing the Eisner Alumni Committee, the time has come to pass the baton to new leadership. We are thrilled that Beth Grossfeld has agreed to take on this responsibility, and we hope that you will join us in supporting her and camp in every way possible. Thanks so much to all, looking forward to seeing you at the 50th anniversary events over the next two summers!!

L'hitraot,
